**CALL MEETING TO ORDER**

A special meeting of the Liquor Control Board for Harford County was called to order at 1:00 p.m. by Chair Goddard to meet with members of the Harford County Delegation office. The meeting was held at the Bel Air Branch of the Harford County Public Library. In attendance were Vice Chair Burdette, Commissioners Majewski, Sines, and Walters, Board Counsel Amy K. Finneran, and General Manager Crabbs.

Chair Goddard addressed the Board's revenue and the specific line items contained in our operating budget.

Vice Chair Burdette read her prepared statement regarding public safety issues.

GM Crabbs advised that Mr. Snee will again proffer proposed due process legislation. Other proposed legislation that was discussed included licenses as property, revisions to the Performing Arts Theater License including up to three venues, hatchett throwing/performing arts license, and the Class L License again being introduced with the possibility of removing the tastings. Tyler Nowicki, Esquire, addressed the Class B Golf Simulator Facility License which has been enacted in Frederick County; he hopes that this license type will be addressed during the 2024 legislative session.
